A Trip on the *Teesside Princess*

Tuesday the 2nd of August was the day of a lovely river cruise through glorious countryside on the *Teesside Princess* from Castlegate Quay, Stockton via Preston Park to reach the market town of Yarm and onto the mighty Tees Barrage which was greatly enjoyed by the Forum members.

We had a delicious traditional two course Sunday roast followed by a tasty dessert and tea or coffee.

The commentary was interesting, informative and amusing. The view from the covered top deck was just as good as on the lower deck. Otters were keeping out of sight but the swans were magnificent.

The icing on the cake was the glorious ride through the countryside to reach our destination.

On our return trip home, Brian, the driver of Fletchers Coaches, took us on a mystery tour across the moors to glimpse a sight of the heather and the lambs which took our breath away. To use a cliché we had a marvellous time.
