

Thursday, June 2, 2016 - The Wild West

On Thursday, 2nd June, 50+Forum had a truly interesting tour around the Wild West given by one interesting and amusing lady -- Jocelyn Brookes.

A journey around Arizona, Nevada, Colorado, New Mexico and Utah. A bit of history, a segment of geography, a touch of tourism and lots of humour. What a treat. The pictures were magnificent as was the description.
Thank you Jocelyn.

Many thanks to Janet Bates for organizing this event.
